2. To contact the parents/guardians and provide agreed information as soon as possible.

Action 4 - Support

- Support should be provided to any Child that has experienced abuse.
- It is important that the person providing support to the Child does not attempt to provide support which is outside of the scope of their role.

Appendix 4: Child Safe Practices

Each of the Relevant Organisations are committed to safeguarding everyone involved in our organisation including Children in Netball's care, ensuring that they feel and are safe. These Child Safe Practices has been developed to identify and prevent behaviour that may be harmful to the Children in Netball.

A breach of the Child Safe Practices is a breach of the Child Safeguarding Policy and will be managed by the Netball Integrity Policy Framework, Conduct and Disciplinary Policy.

There may be exceptional situations where aspects of the Child Safe Practices do not apply, for example in an emergency it may be appropriate to physically restrain a child. However it is crucial that, where possible, you seek authorisation prior to taking action that does not comply with these standards or that you notify a Relevant Organisation as soon possible after any incident in which these standards are not complied with.

1. Sexual misconduct

- (a) Under no circumstances is any form of 'sexual behaviour' to occur between, with, or in the presence of Children.
- (b) 'Sexual behaviour' needs to be interpreted widely, to encompass the entire range of actions that would reasonably be considered to be sexual in nature, including but not limited to:
 - 1. 'contact behaviour', such as sexual intercourse, kissing, fondling, sexual penetration or exploiting a child through prostitution; and
 - 2. 'non-contact behaviour', such as flirting, sexual innuendo, inappropriate text messaging, inappropriate photography or exposure to pornography or nudity.

2. Professional boundaries

- (a) Relevant Persons must act within the scope of their role (as specified in their position description or contract) when working with Children who are involved or have been involved in Netball. They must not:

 - 4. transport Children unless specifically approved;
 - 5. give gifts/presents to Children other than the provision of official awards;

 - 7. discriminate against any Child, including on the basis of gender identity, culture, race, or disability;

8. have one on one contact with a Child outside of authorised sport activities (includes direct contact such as in-person as well as indirect, such as by phone, or online); or
 9. accept an invitation to attend any private social function at the request of a Child or their family, where there is no existing social, personal, or family relationship.
- (b) If Relevant Persons become aware of a situation in which a Child requires assistance that is beyond the confines of that person’s role, they should undertake any or all of the following at the earliest opportunity:
1. refer the matter to an appropriate support agency;
 2. refer the Child to an appropriate support agency;
 3. contact the Child’s parent or guardian;
 4. seek advice from a Relevant Organisation.
- 3. Use of language and tone of voice**
- Language and tone of voice used in the presence of Children should:
- (a) provide clear direction, boost their confidence, encourage, or affirm them;
 - (b) not be harmful to Children. In this respect, not use language that is:
 1. discriminatory, racist, or sexist;

 - (e) Under no circumstances are Relevant Persons or Relevant Organisations to take disciplinary action involving physical punishment or any form of treatment that could reasonably be considered as degrading, cruel, frightening or humiliating.
- 5. Supervision**
- (a) Children participating in Netball programs and services must always be supervised. Supervision must be constant, active, and diligent and requires

Relevant Persons to always be in a position to observe each Child, respond to individual needs and immediately intervene if necessary.

- (b) One-to-one unsupervised situations with Children should be avoided, however some services and programs may involve such circumstances (e.g., medical treatment and physical therapy) and in this case, these situations will need to be identified and recorded by the Relevant Organisation.
- (c) Any incident of one-to-one unsupervised contact should be immediately reported to the Relevant Organisations management within 24 hours of the incident occurring.

6. Use of electronic or online communications

- (d) Images are not to be exhibited online or in publications (annual report) without parental knowledge and approval (through a signed image consent form), or such images must be presented in a manner that de-identifies the Child. Any caption or accompanying text may need to be checked so that it does not identify a Child if such identification is potentially detrimental.

8. Physical contact with Children

- (a) Any physical contact with Children must be appropriate to the delivery of Netball programs or services and based on the needs of the Child such as assisting with the use of equipment, technique, treatment by a health practitioner or administering first aid.

- (b) Under no circumstances should Relevant Persons have contact with Children participating in our programs and services that:
1. involves touching of genitals, buttocks, or the breast area other than as part of delivering medical or allied health services;
 2. would appear to a reasonable observer to have a sexual connotation;
 3. is intended to cause pain or distress to the Child (e.g. corporal punishment);
 4. is overly physical (e.g. wrestling, horseplay, tickling or other roughhousing);
 5. is unnecessary (e.g. assisting with toileting when a Child does not require assistance); or
 6. is initiated against the wishes of the Child, except if such contact may be necessary to prevent injury to the Child or to others, in which case:
 - physical restraint should be a last resort;
 - the level of force used must be appropriate to the specific circumstances, and aimed solely at restraining the Child to prevent harm to themselves or others; and
 - the incident must be reported to management as soon as possible.
- (c) Relevant Persons are required to report to the Relevant Organisation any physical contact initiated by a Child that is sexualised and/or inappropriate, for example, acts of physical aggression, as soon as possible, to enable the situation to be managed in the interests of the safety of the Child, Relevant Persons and any other participants.

- (c) Practices and behaviour by Relevant Persons involved during an overnight stay must be consistent with the practices and behaviour expected during delivery of Netball at all other times.
- (d) Standards of conduct that must be observed by Relevant Organisations and Relevant Persons involved during an overnight stay include:
1. Children are provided with privacy when bathing, toileting, and dressing;
 2. appropriate dress standards are observed when Children are present – such as no exposure to adult nudity;

- (a) Children are only to be transported in circumstances that are directly related to the delivery of Netball programs and services.
- (b) Other than in an emergency, it is not acceptable for Relevant Persons to transport Children without prior written approval from their parent or guardian. Gaining approval involves providing information about the proposed journey, including the:

Appendix 5: Recruitment & Screening

These recruitment and screening requirements have been developed to provide a fair, safe, consistent, and comprehensive recruitment process across Netball. Netball takes child protection seriously and ensures that the Relevant Organisations recruit personnel that are suitably qualified and committed to providing professional, safe, and enjoyable programs and services to Children.

It is recognised that in some instances an individual may be engaged by a Relevant Organisation in an ad hoc role or on an ad hoc basis (due to unavailability of a Relevant Person or another exceptional circumstances), where this is the case, the Relevant Organisation will assess the risks associated with the ad hoc role and make a determination as to what recruitment and screening process are required (if any).

1. Child-Related Positions

- (a) All advertised roles within Netball (Relevant Persons) both new and existing must be assessed using Appendix 6: Child-Related Position Assessment.
- (b) A child-related position means a position that involves or may involve contact with children, either under the position description or due to the nature of the role.
- (c) Positions assessed as 'child-related' must be appointed using the recruitment and screening process outlined in this Appendix 5: Recruitment & Screening.

2. Position Descriptions

- (a) Developing appropriate selection criteria for a position is a valuable first step to reducing the risk of appointing someone who poses a child safety risk.
- (b) Examples of appropriate selection criteria may include: 'Must have experience working with Children.' 'Must be able to demonstrate an understanding of appropriate behaviours when engaging with Children.'

3. Advertising

- (a) All positions identified as child-related will include a statement in the position description and any advertising (example below):

{Sport Organisation} is committed to protecting Children from harm. We require all applicants that will work with Children to undergo an extensive screening process prior to appointment.

4. Interviews

- (a) All applicants for child-related positions are required to attend at least one interview, preferably in person or on a videoconference (e.g. Zoom etc.).
- (b) During the interview, questions regarding the applicant's suitability to work with Children must be included. Refer to Appendix 7: Interview Requirements and Sample Questions.

5. Working with Children Checks

- (a) WWCC laws aim to prevent people who pose a risk from working with Children as paid employees or volunteers. WWCC laws are currently in place in all Australian states and territories.
- (b) These laws require certain individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work (in a paid or volunteer capacity) with Children. Whether a particular individual is required to undertake a check depends on the WWCC laws of the relevant state or territory.

- (c) Relevant Organisations must, as a minimum requirement, meet the requirements of the relevant state or territory WWCC laws, however may mandate WWCC in circumstances where the requirements of the relevant state or territory permit (but do not mandate).
- (d) All personnel that require a WWCC will supply a copy of it to, or be validated by, the organisation making the appointment.
- (e) Relevant Organisations may not engage a person who does not have a satisfactory WWCC in the relevant jurisdiction(s).
- (f) Regardless of whether an individual is required or otherwise eligible to obtain a WWCC in the relevant jurisdiction(s), it is a serious breach of the Child Safeguarding Policy if an individual:
 1. who has convictions that would make them ineligible to be granted a WWCC is appointed to a child-related position in Netball; or
 2. continues in a child-related position if they have been charged or convicted of a crime that would make them ineligible to be granted a WWCC.
- (g) Relevant Persons are required to report to the Relevant Organisation's Human Resource/People & Culture Department (or other person of Authority/Responsibility such as the President) any criminal conviction or charge that indicates that they may present a potential risk to the Children to whom they help deliver programs or services, such as illegal drug possession or use, gun crimes and assault including adult sexual assault.

6. National Criminal History Record Checks

- (a) Depending on the relevant jurisdictional legislation a Relevant Organisations may require the preferred candidates to have completed a 'national criminal history record check' (also known as a 'police check') where the candidate does not otherwise meet the jurisdictional threshold to apply for and obtain a WWCC.
- (b) A criminal history does not automatically preclude an applicant from being appointed unless their criminal history suggests that they may pose a risk to Children. If there is information relevant to the employment decision, the applicant will be provided with an opportunity to respond to the contents of their police check (if they wish to do so).
- (c) The decision to appoint or not appoint an applicant because of a police check result, along with the rationale for that decision, must be communicated to the applicant by the Relevant Organisation.
- (d) A copy of the police check must not be retained. The original must either be returned to the applicant if requested or be destroyed in a secure manner on completion of the recruitment process. If the applicant is appointed, a record of the date and certificate number of the police check should be recorded in their personnel file.

7. International Criminal History Record Checks

- (a) Any applicant who has resided overseas for 12 months or more in the last ten years must obtain an international criminal check.
- (b) Some countries will not release information regarding an individual for personal or third-party purposes. Where police records checks cannot be made, reference checks must be conducted with at least two referees that personally knew the individual whilst they were residing in the other country.

- (c) The Relevant Organisation must inform the applicant that referees will be asked whether they have knowledge or information concerning the applicant that would adversely affect the applicant from performing the job, including any relevant criminal offences. The credentials of persons acting as referees must be verified and can include previous employers or government officials).
- (d) Overseas applicants should not commence until this process is satisfactorily completed.

8. Monitoring compliance

Relevant Organisations will ensure that all personnel in child-related positions have a current WWCC as specified in state and territory legislation:

<https://aifs.gov.au/cfca/publications/pre-employment-screening-working-children-checks-and-police-checks/part-overview>

9. Reference checks

- (a) The Relevant Organisation (noting that Affiliates shall use the best endeavours, where not required by law and having considered Appendix 6) will conduct a minimum of two reference checks for the preferred applicant to gather additional information about the applicant's suitability to work in the role for which they have applied.
- (b) The selected referees must:
 1. be able to provide information relating to the applicant's suitability to work with Children;
 2. have known the applicant for at least 12 months;
 3. not be related to the applicant;
 4. be able to vouch for the applicant's reputation and character.

Please note: Written character references are not sufficient unless also followed up and verified through direct contact.

- (c) Referees will be asked directly about any concerns they may have about the applicant working with Children. Refer to Appendix 8: Reference Check Requirements and Sample Questions.

10. Qualification and registration checks

Educational or vocational qualifications, or professional registration will be verified for the preferred applicant for the position, if applicable.

11. Minors

- (a) If a person under the age of 18 is appointed to a child-related position, the Relevant Organisation must:
 1. comply with the relevant WWCC legislation;
 2. undertake appropriate screening (interviews and referee checks);
 3. ensure that they are aware that they are bound by the Child Safeguarding Policy, Child Safe Practices and the obligations associated with working with Children; and
 4. obtain information about any pre-existing relationships, especially where the Child-applicant interacts personally with another Child participant.

Appendix 6: Child-Related Position Assessment

Note: State and territory jurisdictions have different requirements regarding screening and WWCC. This child-related position assessment aims to assist Relevant Organisations identify child-related positions however, **it should not be used to determine if a Relevant Person requires a WWCC.**

Specific state and territory requirements also apply.

Netball Australia Child Safeguarding Policy – South Australian Addendum

As at 1 January 2023

1. Introduction

In South Australia, organisations providing services to children and young people must, by law, provide child safe environments. Those organisations are required to:

- have child safe environments policy(ies) in place and at a minimum, review their policy(ies) once every 5 years
- meet [Working with Children Check](#) obligations, and
- [lodge a child safe environments compliance statement](#) with the Department of Human Services and lodge a new statement each time policy(ies) are reviewed and updated (or every 5 years, whichever occurs first).

The South Australian Addendum (Addendum) has been developed to supplement the Child Safeguarding Policy to meet compliance requirements. To the extent of any inconsistency between this Addendum and the Child Safeguarding Policy, this Addendum will prevail.
